WEEKLY APPLICATION

TAKEAWAY: God's word is truth and applicable to our lives today.

HEAD CHANGE: To know that knowing God's word is the beginning to knowing God.

HEART CHANGE: To fall in love with God's word.

LIFE CHANGE: To reframe our circumstances through the lens of God's word.

OVERVIEW

There may not be an adequate way of truly explaining the importance of God's word in our lives and what it does to us when we choose to live by it. It is an experience that changes us. Daily it is up to us to determine if the world or the Word will be the basis for how we live our lives. When we have an attitude that gratefully receives, humbly accepts, and intently embraces the truth of God's Word; we are partnering with God to establish His kingdom on earth, as it is in heaven.

"All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It corrects us when we are wrong and teaches us to do what is right. God uses it to prepare and equip his people to do every good work."

-2 Timothy 3:16-17 (NLT)-

DISCUSSION QUESTIONS

1. What does it look like to "love God's Word"? How do you incorporate God's Word into your daily life?
2. Think about a time when a truth in God's Word felt confrontational to you. When you accepted that truth and applied it to your life, what changed? How did you feel about the change?
3. What is an area of your life that you started to reframe God's word through the lens of your circumstance rather than framing your circumstance through the lens of God's word? In other words, what part of God's word have you slowly let go of, and why?

CLOSE IN PRAYER

Father, we thank You for Jesus and we thank You for your Word. We ask that You give us a hunger and a desire for it. Remind our hearts that every renewal movement in Christian history started with a move back to Your Word, back to loving and treasuring on Your Word. We thank You that it is the fuel we were meant to run on. Draw us back to it. Amen.
