3. We believe that Kids are our responsibility, and that one of the greatest investments of a church is the children we raise \_\_\_\_\_.

4. The different types of groups offered at Ethos

\_\_\_\_\_ Groups - centered around celebrations, prayer, and leaning into God's word by discussing the Sunday message.

\_\_\_\_\_ Groups - Can include anything from different books of the bible, marriages, parenting, racial reconciliation, finances, and hearing from God.

\_\_\_\_\_ Groups - Can revolve around a common interest, passion, or life phase.

5. One value we regularly say as a church is Servant Leadership is our identity. This isn't just a place that we gather for church services. It's a community of people \_\_\_\_\_ with God to transform lives and \_\_\_\_\_ people in Jesus's name.
