

THE DALZELL'S STORY

We first checked out Ethos when we heard that North Church, where we had been serving, was soon to be merging with Ethos. We had friends already telling us about how awesome it was and were excited to see it for ourselves. What we found, was leadership who genuinely loved Jesus and loved people in an earnest and contagious way and was constantly inviting people in to be a part of the adventure God offers us.

Much of the vision for our family is connected to our involvement in Young Life, a non-profit organization through which caring adults invest in the lives of middle school and high school kids. Our hope is to introduce them to Jesus and helping them grow in their faith. Young Life is all about building relationships, living life together, and making a space where every kid can belong; especially those who might have never heard much about Jesus. One of the reasons we love Ethos so much is that it shares this vision of being with and for people; regardless of what they believe, while inviting them in to experience more of the abundant life with Christ we were made for.

We feel so excited to invite students of ours, their families, and our neighbors and peers to come with us to Ethos, confident they will feel a sense of love and belonging. Ethos has made their support felt by us not just in a shared vision, but through constant encouragement, prayer, and incredible generosity to Young Life as well. It really feels like we have so many people in our corner at Ethos, rooting for and supporting us in our personal lives. As we navigate marriage and parenting toddlers and newborns, as well as in our faith as we seek to continue to say yes to Jesus. We love what God is doing in and through this community and consider it such a gift to be a part of it!

WITH ETHOS

No matter where you have been or what you believe, you are welcome here. Our hope is that you would experience the life-changing power of Jesus Christ through dynamic worship music and relevant Bible teaching. Our goal is to help you feel at home in a way that is authentic and inspiring. We are glad you are here and hope you enjoy your time with us. If we can serve you in anyway, text "EthosCare" to 94000.

We believe there are three key steps on your journey of faith:

TO BE WITH JESUS

This is all about knowing God the Father as He reveals Himself through Jesus, the Son. We believe you can know God personally. Rather than just practicing religion, we strive for you to understand that God wants to have a relationship with you. We are committed to helping all people recognize that more than simply doing things for Jesus, God desires that we first learn to simply be with Jesus.

TO BECOME LIKE JESUS

This is all about discovering our identity in Jesus Christ. We all have things from our past that need to be settled once and for all. God's process for you to experience freedom from yesterday is to become more like Jesus today. We are committed to the life-long journey of becoming more and more like the greatest person to ever live, Jesus.

TO DO WHAT JESUS DID

This is all about living empowered by the Holy Spirit. We are committed to continually asking ourselves the question, "What does love require of me?" The more we are with Jesus and become like Jesus, the more that the answer to this question will lead us to do what Jesus did.
