

THE RINEHART'S STORY

As a military couple stationed in Georgia during our first few years of marriage, we struggled to find a church community that felt like family. In the spring of 2020, everything went virtual, and we decided to check out some churches in Columbus where we knew we would be relocating after Jake's time in the army came to an end. The first church we stumbled upon was Ethos and our search ended there. In a way that could only be explained by God, we knew we had found the church we had been praying for. Every week, we watched Pastor Jordan share messages that were spoken with a genuine love for all people while being grounded in God's truth. It was clear that each person we saw on our screen had a heart for embracing people in Jesus' name. This is exactly what we had been longing for.

JAKE, WALKER, & TARA

We made the move to Columbus at the end of December and came to Ethos a few days later with our son, Walker, in tow. Before even stepping into the building, we were greeted by smiling faces, open doors, and people eager to welcome us in. We were introduced to other young families and couples who immediately wanted to know our family, and with only a few weeks passing we joined a Small Group. From being part of a group, becoming servant leaders was something that just kind of happened and made sense! With Walker in the nursery, being a part of the Ethos Kids team gives me the opportunity to meet families walking through the same season of life as us. And Jake's heart for sharing the Lord's wisdom with others made the Prayer Team the perfect fit for him. And you'll catch him in the Parking Lot waving you in on Sunday mornings as well!

Now, walking into church feels like coming home every week. We have found a community who knows us deeply, is invested in our son's life, and lives on a mission to love like Jesus. Doing life with our family at Ethos makes every day feel like a gift. We are so excited for what God has in store for this church and for these people we love!

YOUR STORY MATTERS

YEAR CELEBRATION

Schedule

We would love to connect with you. Scan the QR code for our online connection card.
